FOR SALE! ONE MONEY MAKING MACHINE.

Oh, if only we could purchase a machine where we could insert blank paper in one end and \$100 bills would come out the other end. What price would you put on it? Could you put a price on it? But suppose for a moment that there was such a machine available and you owned it. Wouldn't you want to protect it from all hazards such as fire, earthquake, hurricanes, theft, breakdown, etc? Sure you would! In fact, isn't everyone a "money machine"? We use all our talents, skills, education and disciplines to "manufacture" money. What will happen to the production of this money if you "break down"? If your ability to make money is destroyed by an untimely death, how will your money machine be replaced? With a properly prepared and coordinated life insurance program, you can contribute the flow of money to your loved ones at the time of your death.

Isn't it time to get together with your Knights of Columbus Agent!
