A MONTHLY NEWSLETTER OF THE ST. JAMES KNIGHTS OF COLUMBUS (#6336)

AUGUST 2009

GRAND KNIGHT'S MESSAGE

Steve Mechkowski, GK
732-521-2587

I hope everyone is enjoying the summer and staying safe. The volleyball league is currently running every Thursday night until October. Please come out and join the fun. The Jamesburg Street Fair is Sunday, September 20, 2009. We'll be selling sausages and peppers, hamburgers and french fries. Please see Emilio Caprio to volunteer some time to help. We need the help. Just a reminder, for September we are only holding one meeting on the third Monday. We're looking for our members to come up with some ideas on how to help the community and the Council. If you have any thoughts on programs or events, please let me know. As you will see in the budget that is enclosed in this month's Kapers, we need a couple more successful fundraising events before year end.

CHAPLAIN'S MESSAGE

Rev. Stanley Jarosz
732-521-0172

Summertime is a time when we usually enjoy a vacation and wish to spend time near the ocean or on a mountain. The beautiful scenery and the special lights, color and smell, scream of the seagulls, and the mighty mountains bring us to reflection to find the beauty of the human works. But sometimes we notice many changes. An old wooden house has been replaced with a new building. Even the site of the beautiful place of our grandparents can become a parking lot. Many trees are cut down. But when you walk to the top of the mountain, near to the ocean, you can see a spectacular view of small islands and beautiful mountains. Humans may change, but the sea and the mountains seem to remain the same. This reminds us of God's love and promises...Jesus Christ is the same yesterday, today and forever. Our environment is always subject to change but we can remember that God is with us now and forever, and we are very thankful to Him for being close to us through all the changes of life. He will never leave or abandon us.

When was the last time your wife went shopping for the day and left you to mind the children? How would you handle this responsibility, day after day, plus having to work? When I ask this question, I find that most of our members have closed their minds to this possibility. Unfortunately, it does happen, you know. No man likes to place a monetary value on his spouse. But money is the only thing that will give you a fighting chance to keep a semblance of a home for your kids should anything happen to your wife. Many insurance men call it "wife insurance." I like to call it "way of life" insurance. Call me today for an appointment. I want to hear from you.
