JUNE 2009

## GRAND KNIGHT'S MESSAGE

Richie Rendeiro, GK

732-521-4534

The summer is here and we're going back to our summer schedule for meetings. In July, August and September, we will be meeting only on the third Monday of each month. I hope you have a healthy and happy summer.

It's been my honor to serve the Council as Grand Knight for the past three years. It has been a rewarding and exciting time. Thanks to all of my officers and volunteers who came out to help us with our events and those who came out to support us.

Good luck to Steve as the new Grand Knight and Rob Russell as the new Deputy Grand Knight. I will continue to help as much as I can. Thanks again – God Bless you all!

## CHAPLAIN'S MESSAGE

Rev. Stanley Jarosz  
732-521-0172

St. Francis of Assisi said "We have been called to heal wounds, unite what has fallen apart and bring home those who have lost their way." Having this in front of us we realize that sometimes all it takes from a child facing the difficulties of the single parent household is to know that someone cares.

Looking for inspiration for Father's Day celebration, let us remember that everyone including our fathers is waiting for an extended hand and to share the gifts that we received from the Almighty.

Sharing needs honesty, responsibility, patience and friendship. Sharing by giving can make the world a little different because we are showing that we really care.

In front of us also is standing Mary, Mother of God, and all of us, and she is an exemplary person of how to help each other. Give thanks to the Lord and direct others to Mary's Son, our Savior and God, with this humble direction "Do what my Son commands you!" A child, observing family life, never forgets a very sick father facing death from cancer who never stops talking to God and expressing his love towards his wife and children.

We highly recommend updating or a "spring cleaning" of the insurance policies you own. Take them out, dust them off, and permit your Knights of Columbus Insurance Agent to share with you his expertise. Perhaps changes in your family have taken place. Perhaps a new beneficiary has come along and should be added to your policy. Maybe you should consider a change in your dividend option, which would add to the total protection afforded without increasing the contribution. Finally, perhaps an increase in your income suggests a corresponding increase in your insurance portfolio so that it will keep pace with your economic worth to assure the well-being of your loved ones. Give your brother Knight a call today.
