GRAND KNIGHT'S MESSAGE

The fish fries have begun. Thanks to everyone who come out each week to help and those who come out to support us by joining us for a meal. We're off to a great start.

While the fish fries are a great effort, we cannot depend on them for our sole source of revenue. We need to come up with different activities to support our charitable work. If anyone has any ideas and would like to chair the effort, we need the help! Please let me know so that everyone can get involved. We are looking for ideas to fundraise for our churches. In this way, we can not only help our community, but we will also be able to get more

members in the process.

We have sixty members who have not yet paid their dues. The second notices have gone out and the final notices will be sent in May. If your dues are not paid by then, your membership will be terminated. Please do not allow this to happen! My final term is ending soon. If anyone is interested in becoming an officer, please contact Pat Harrity or me. Have a safe and happy holy season.

CHAPLAIN'S MESSAGE

Rev. Stanley Jarosz
732-521-0172

Lent time brings us to reflection of how to renew our spiritual life. I heard a story of a collector of antique cars. Car of 1961, Ford Model T, is in the

possession of one gentleman and he has most of its original equipment. Some of the upholstery is being held together by duct tape. The owner of this car won an award for the "most creative use of duct tape." Duct tape, staples and super glue seem to be the survival kit holding together the lives of many people. Many times we say things are fine, I do not need any help. We do not recognize that we need God and others, frightness, loneliness and anger look like normal things in our lives.

Touch of reality is not always a nice place. Reality is telling me that I am closer to eternity and I need a real change. My relationship with God needs a dramatic change and I need sacrament of reconciliation. We need this visible sign of God's mercy and the prayers of others, not only duct tape, medicine or pills. Let us look on our lives in this time of lent and seriously accept Ash Wednesday invitation - "Turn away from sin and be faithful to the gospel."

I'll bet there are a few things you didn't know about certificates of deposit or other similar investments. A life insurance policy is probably better! That's right... a life insurance policy. Single Premium Life from the Knights of Columbus offers you all of the best features of CDs or municipal bond plus the benefits of life insurance. With Single Premium Life you create an immediate estate that is paid to your beneficiary tax free should you die. Your money accumulates on a tax deferred basis, and earns dividends that are not subject to tax. I'd like to talk with you about Single Premium Life, and other plans available from your Order. Call me today for an appointment.
