

**Item Title:** KofC Office Computer Update

**Description:** The computer that was installed in the council office needs to have its hard drive re-formatted and the operating system re-installed. This computer was donated to the council and needs to be wiped clean prior to our use. In addition, the Verizon DSL modem needs to be moved from the bar to the office to accommodate a direct ethernet connection to the computer. Since the jukebox is no longer installed in the bar, the Verizon DSL modem is no longer required to be located in the bar.

**Summary of Vote:**

Rob Russell = Agree

Steve Mechkowski = Agree (verbally)

Fred Russell = Agree

Pat Harrity = Agree

Emilio Caprio = Agree (Verbally)

Rich Rendeiro = No Response

Paul Tice = Agree

Lou Hornberg = Agree

Mike Campanelli = No Response

Joseph Saieva = Agree

Vinny Pannullo = Agree

9 Votes = Agree

**Status:** **Approved**

**Subject:** Columbian Club Vote Request: KofC Office Computer Update

[Columbian Club,](#)

I would like to make a proposal regarding the computer recently installed in the KofC council.

**Title: KofC Office Computer Update**

**Description:** The computer that was installed in the council office needs to have its hard drive re-formatted and the operating system re-installed. This computer was donated to the council and needs to be wiped clean prior to our use. In addition, the Verizon DSL modem needs to be moved from the bar to the office to accommodate a

direct ethernet connection to the computer. Since the jukebox is no longer installed in the bar, the Verizon DSL modem is no longer required to be located in the bar.

**Action:** Fred Russell will update the computer once this item is approved.

**Cost:** \$0

Please reply to all with your vote of "AGREE" or "DISAGREE". Also feel free to reply to all with "DISCUSSION NEEDED" with your comments if you are not ready to cast your vote.

Thanks,  
Fred
